Global score

69,5

Your global score consists of the following components:

Idea and context

23

Technology

12,5

Business model, finance
and corporate

10,5

Team

23,5

Comments from Evaluator :

The project is very early in the process and might need a bit more of work to get to an incubator: assembling a team, work a bit more on technology, refine the business case. It is probably a bit too early to access the incubator.
