Phase 3 Results

Global score

62

Your global score consists of the following components:

Idea and context	Technology	Business model, finance and corporate	Team
18	11	11	22

Comments from Evaluator 1:

As we understand it, what you have today is a first phase and the real disruptive innovation will come from integrating the collaborative / Harkness dimension to it. The first phase is well presented and laid out but the competitive advantage does not appear that clearly, how will this fundamentally change with the second phase?
