Global score

74

Your global score consists of the following components:

Idea and context

25

Technology

14

Business model, finance
and corporate

14

Team

21

Comments from Evaluator :

This is a good concept, however very much depending on the publishers, their willingness to sign up for it, and the long time they usually take to decide. Then the question is also about the scalability and the ability to develop all over Europe in the countries where the major publishers are located. The project having been through an accelerator in Poland already end of last year, what was the outcome of this?
